

eSemblar

and a quick overview of
TEWMS Team Websites

What is eSembler

- eSembler is a web-based gradebook designed for use in K-12 school districts.
- It allows parents to view assignment grades, the grade categories, attendance, and setup notifications of grade status.
- It requires no special software.
- Just a computer with Internet Access, a web browser, and an email address.

Benefit of using eSembler

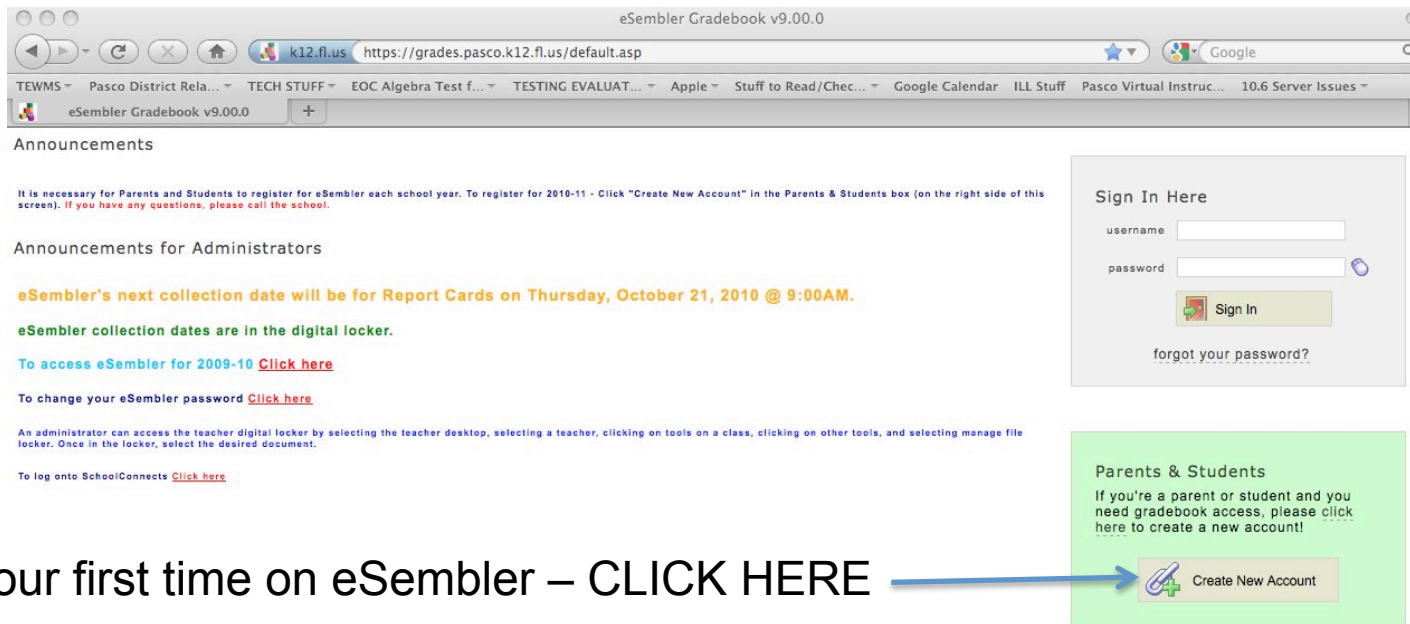

- You no longer have to wait for the Progress Report to know what's going on.
- You can lookup the current grade.
- You can set eSembler to notify you if your child drops below your specified grade %
- Students can begin monitoring their own grades and self advocate.

Well, Where is it?

- <https://grades.pasco.k12.fl.us/>
- It can also be found by going to the Parent Section of the School Website.

What's First?

- The Basics - Signing up
- You will need – Computer with Internet Access and an Email Address.
- For Every Child - Student ID, Birth Date, Social

Now It's Time for the Student Info

The screenshot shows a web browser window titled "Parent's View - Lawhead, Teresa". The address bar shows the URL "https://grades.pasco.k12.fl.us/eportal/default.aspx?mode=addStudent". The browser's address bar and search bar are visible. Below the browser window, the "Add Student" form is displayed. The form includes fields for "student id:", "student first name:", "student last name:", "ssn(last 4 digits):", "student date of birth:" (with dropdown menus for month, day, and year), and "student zip code:". To the right of the form, a message states: "You may use this form to link student records with your account. To ensure the security of student data, please take a moment to enter the appropriate information." At the bottom of the form, there are two buttons: "Add" (with a green plus icon) and "Cancel" (with a red X icon).

If the last 4 of the Social Security do not work, try 0000. If that works it means the Social is not on the District's database.
