

Wildcats Support the Troops

Dear TEWMS families,

Our school is dedicated to providing a wonderful middle school experience for your child. Not only do we want your child to grow academically; we want them to blossom into compassionate citizens.

At TEWMS we are implementing a new incentive program. This program will allow students the opportunities to have a voice, find a sense of belonging, and celebrate their successes. There will be four key components: supporting others, excelling in academics, demonstrating acceptable behavior, and expressing school spirit.

To kick off our year of success, we will begin by supporting others. We will be sending supplies to a Ranger Troop stationed in Iraq, along with other men and women who are serving our country. If you are able to send any of the supplies listed below it will be greatly appreciated. Also, if you would like to make a monetary donation for shipping you may go on the school website to complete a transaction. If your family is not able to provide items listed, you may include a nice card or letter thanking our troops for their sacrifice. We will begin collecting supplies on Tuesday, September 2nd. The collection will end September 19th. To celebrate our success in this endeavor, students will be allowed to show their school spirit by dressing in camo or red, white, and blue on September 19th.
