Andressa Mira, *Assistant Principal*

Dear parent or guardian,

One of our goals this year is to find new and meaningful ways to reach our most in-need students. For some this has included additional support during Study Hall or more one-on-one assistance. For others, it has meant helping them gain access to MyStudent so they can monitor their own progress. Your child has been recommended for a support we call Opportunity Hall, which is an afterschool program that meets on Wednesdays from 3:00 to 4:30 in our media center. During Opportunity Hall, we will have teacher volunteers and some student peer tutors to provide as much individualized assistance as possible. This also includes support in organization and study skills. In addition, students will have access to computers if needed.

This year we are scheduled to begin offering this support from August 28<sup>th</sup> through May 1<sup>st</sup>. The program does require students to be picked up by 4:30 PM. A school snack is provided for attendees. If you and your child are interested in this support, please fill out the included student agreement and permission form and return it to TEWMS as soon as possible. We look forward to helping your student flourish in their areas of need. If you have any questions, please contact Heather Eads at [heads@pasco.k12.fl.us](mailto:heads@pasco.k12.fl.us). Thank you so much for your time.

Yours truly,

Ms. Eads
