Step 1 - MyStudent

Before 8/14/2020, parents should create their “MyStudent” account.
My Student -- Where the important data lives.

Parent Portal set-up information can be found here: <https://tinyurl.com/y6nyn8b8>

It is vital for all parents/guardians to set up this account for the following reasons:

- BUS PASS -- Transportation relies on information in MyStudent to issue bus passes. It is CRITICAL to make sure your address and phone contacts are up-to-date. It takes 48 hours to update the information in this portal to issue a corrected bus pass. Note: Bus passes for students with an IEP or 504 can take up to 7 days to coordinate transportation.
- Print class schedule
- Pay fees (Must have a RYCOR account - see next slide)
- Update contact information: PLEASE MAKE SURE AN EMAIL IS ON FILE
- Check Grades and Attendance.

Step 2 - My Learning

Between 8/12/2020 - 8/18/2020, parents should create their “My Learning” account. **Accounts will not be “linkable” to your child’s schedule until schedules are published on 8/12/2020.**

“MyLearning” is also called “Canvas.” This is where the course content lives. This is also where teachers will post important information. It is critical for parents to visit this page at least weekly.

An important link for ORIENTATION virtual teacher meetings on 8/19/2020 will be found on this account. Virtual meetings start at 5:00 pm/6:00 pm/7:00 pm depending on team. Note: If you can’t get the parent account created, you can get the information from the student account.

Create a parent MyLearning/CANVAS Observer Account:

<https://community.canvaslms.com/groups/observers/pages/home>

Parents can sign up as an observer in Canvas. Observers can link their Canvas account to their student's account so they can see assignment dues dates, announcements, and other course content. Observers can view the course content but cannot participate in the course.

Step 3 - Pay Fees

Before 8/14/2020 -- Parents need to create an account to pay fees in MyStudent. Use the following link to set this up:

<https://www.studentquickpay.com/pasco/>

In order to use Student Fees - Rycor/Acorn to make payments for your child(ren), you must first have an account setup in myStudent. If you do not have an account in myStudent, go to PascoSchools.org, go to the Parents Tab and select [Check Grades/Attendance](#). Once your account is established in myStudent, you will have an account ready the following day to be activated in Student Fees - Acorn/Rycor..

If you encounter any technical complications when using this website such as:

- Problems creating an account
- Problems logging in
- Email notifications
- Service interruptions
- Unsuccessful or accidental online payments

Please contact our support email at: techhelp@pasco.k12.fl.us

Please include the following information in your email:

- Parent name
- Student name(s)
- Student ID number(s)
- School name(s)
