Pasco County Schools Registration Requirements

http://www.pasco.k12.fl.us/comm/page/registration_requirements

All students must attend the school to which they are assigned based on their home address, unless they have an approved assignment to another school or program (e.g. school choice). Applications for School Choice may be obtained by visiting the [Educational Options](#) website. Completed applications must be submitted during specified application periods.

The school district expects residence information submitted regarding students to be truthful and accurate, and district forms pertaining to residence and household membership shall be verified under penalties of perjury.

Section 837.06, Florida Statutes, provides that, "Whoever knowingly makes a false statement in writing with the intent to mislead a public servant in the performance of his or her official duty shall be guilty of a misdemeanor of the second degree." Additionally, a person who knowingly makes a false declaration under penalties of perjury commits a felony of the third degree, pursuant to section 92.525, Florida Statutes. Providing school officials false information regarding your residence when enrolling your child may result in your child being withdrawn and/or reassigned to the appropriate zoned school, and referral of the matter to law enforcement for possible criminal prosecution. Additionally, falsification of this information may result in the permanent revocation of your child's privilege to engage in extracurricular activities, including organized sports.

Parents/legal guardians are responsible for notifying the school principal if there is a change in residence or parental responsibility of the student within five (5) days, even if the parent thinks the student is still in the school's zone. Failure to give timely notice may result in a reassignment to the student's zoned school and/or loss of eligibility for athletics and other activities.

Tardy Policy

Thomas E. Weightman Middle School has a school-wide tardy policy and procedure that is strictly monitored and enforced. Students have 4 minutes to transition from one classroom to another and are given a one minute warning bell. Students who are not inside the classroom when the late bell rings and do not have a pass from a staff member, will be considered tardy and will not be permitted to enter the classroom without a pass. Tardy students will be sent to the Tardy Table located in the back office, where they will electronically sign-in as "unexcused tardy" and will be given a pass to enter his/her classroom. Upon return to the classroom with a tardy pass, teachers will mark student as "Tardy" on MyStudent. Please note that each unexcused tardy will result in a consequence. Consequences are progressive in nature and include warnings, lunch detentions, afterschool detentions, in-school suspension, and out-of-school suspension. Tardies are cumulative and not by period or day. Therefore, a student may get up to six tardies in one day, which will result in a more severe consequence. The system is reset at the end of each quarter.

Please note that students who are more than 10 minutes late to class will be considered "skipping" and may receive a disciplinary referral.

We urge you to speak with your child and encourage him/her to be in class on time. If you have any questions regarding our policy and procedures, please contact one of our Administrators.

TEWMS Dress Code

Students shall wear modest clothing. Sexually implicit or explicit clothing, bikinis, tank tops, sleepwear including pajamas, tight-fitting sweat pants, spandex clothing (kinds of clothing usually worn at beaches and while engaging in recreation activities – **no yoga pants**) are not appropriate for school.

Students may wear shorts, skirts, and dresses as long as they are **not shorter than 4 inches above the knee**. Jeans cannot have any holes above the knee. Leggings can only be worn underneath shorts, skirts, dresses that are at or below the knee.

Students' clothing shall be worn appropriately with **pants worn securely at the waist** and with **no abdomen skin or underwear exposed**.

Blouses, shirts, and sweaters cannot dip below a line formed between the right and left armpit. **Muscle shirts, see through shirts, tank tops, shirts with spaghetti straps, and strapless tops are not acceptable.** Due to latest fashion, we will allow sleeveless shirts to be worn if it covers the entire shoulder and no undergarment is visible.

Tops must be long enough **to clearly overlap the belt line or stay tucked in** during the course of normal movement throughout the school day.

Students shall not wear hats or head coverings to include hoodies on the school campus during the regular school day unless previously approved for medical or religious reasons or special school activities by the Principal.

Students shall wear shoes for foot protection and hygienic reasons while on school grounds or on school transportation. **Slippers are not acceptable.**

Decorations, symbols, mottos, or designs imprinted or attached to the body or clothing which are **offensive to good taste** or the maintenance of decorum, or which **advertise tobacco, alcohol, drugs**, or which identify them as members of secret antisocial groups or gangs shall not be worn to school or school functions.

Wallet chains, dog collars, or costumes shall not be permitted. Bandanas will not be permitted - not even as a hair accessory.

The Principal, or designee, shall determine the appropriateness of dress and appearance. The Principal, or designee, will make the decision if a student's appearance meets school and community standards. **The Principal's decision on the appropriateness of dress is final.**

Special Note: A student in violation of the dress code will be required to change into appropriate clothing before returning to class and parent contact will be made. If necessary, the student will contact parents to provide the appropriate clothing. Failure to do so may result in a discipline referral. Repeated violations of the dress code will result in disciplinary interventions.

TRANSPORTATION SERVICES ORIENTATION INFORMATION

PASCO COUNTY SCHOOL – REOPENING SCHOOLS - 2020-2021 SCHOOL YEAR
Secondary Information

Bus Sanitation

Each bus will be thoroughly sanitized twice a day and high-touch areas of the bus will be disinfected between each transported group. Students are required to wear a face covering while on the bus. Siblings will be directed to sit together and students will be organized on the bus by their stop. Available space on the bus will be used to the fullest extent possible to distance students. Please do not send your student to school if they are not feeling well.

Transportation Eligibility

Florida State Statute outlines student eligibility for school transportation. In general, students that live within 2 miles of their zoned school are not eligible for basic student transportation. It would be the family's responsibility to coordinate how their student gets to and from school. Transportation as a related service for special education students is coordinated on a student IEP or 504 documentation.

Bus Compound Contact Info:

Bus routes each have an alpha-numeric identifier. The beginning letter identifies the servicing bus compound you should call if needed.

C Routes	727-774-0520
D Routes	813-794-0560
N Routes	727-774-0540
S Routes	727-774-4410
W Routes	727-774-0400
Z Routes	813-794-0501

Be Ready for the Bus

It is important to be standing at the bus stop at least 5 minutes prior to the pick-up time on your bus pass. Please follow these directions especially if you drive your student to the stop in the morning. Routes will likely run a little late until everyone gets back in the school routine again. Please be early and be ready. It is important to keep in mind that school bus drivers are not able to engage in lengthy discussion with parents or guardians at the bus stop as we strive to maintain our bus stop schedule. Please contact Transportation should you have questions or concerns you would like to discuss.

Ridership Consistency

We certainly understand the excitement of returning to school and families driving their student in the first few days (or more)! Please consider transitioning your student to the bus as soon as possible. We want our students (and you) to be comfortable and confident when using District transportation. Ridership will be monitored and those students with bus passes that do not ride the bus will receive notification of their pass being ended. The deactivation of passes will begin in October for students not actively riding the bus.

Bus Passes

Transportation relies on information in MyStudent to issue bus passes for students. It is important for you to ensure your student's address information is accurate and update as needed, directly with their school. Updated bus passes will be issued and available in your MyStudent portal within 48 hours. You can print this screen or snap a picture for reference later. Bus passes for students with an IEP or 504 can take up to 7 days to coordinate transportation. Parent Portal set-up information can be found here <https://tinyurl.com/y6nyn8b8>

School Choice

Transportation is not provided for students that have elected to attend a school other than their zoned school. Students participating in some academic programs (e.g. Cambridge, IB, Magnet) may have alternative transportation options. This information can be provided by your student's school or by contacting Transportation.

Single Bus Pass

Transportation eligible students may only be issued one bus pass based on the student's address of record. This pass is for consistent transportation; Monday-Friday; morning and afternoon; to the same stop location. The District is unable to accommodate requests for bus stops to multiple addresses.

Two Week Route Consistency

It is District practice to restrict route changes (adding stops, changing stop times) for the first two weeks of school. This allows students and families to build a consistent back to school routine. While there are situations that require some limited, specific changes to occur, we will work to minimize the impact as much as possible. Route changes will begin to be processed beginning the third week of school.

Late Buses

If a bus is running at least 15 minutes late, an automated phone message will be sent to the identified contact for the students who are assigned to that bus; using the primary phone number listed in my student. If the bus arrives late to the school, Transportation notifies the school office of their late arrival. Students will not be marked tardy due to their bus arriving late to school. Messages of this nature will not be sent out during the first two weeks of school.

Maintaining Your Student's Emergency Contacts

The information recorded in MyStudent will be used to communicate with you or your designated emergency contacts in the event of an emergency at school or on the bus. It is vital that you check periodically and update this information with the school. This information can be verified through your MyStudent portal.

General Bus Safety and Information

Buses are equipped with lap belts and students are expected to wear them at all times.

Band Instruments or Large Projects: Students may bring these items on the bus as long as they can be held in their lap or between their legs. Also, they shall not protrude into the aisle or another student's space. Large projects cannot contain materials that could be harmful to other students such as hazardous liquids, glass or other sharp items, etc.

Any item left on a school bus will be collected by their bus driver and held for your student on the next school day. Students should check with their driver first for any lost items. Items of obvious monetary value are turned in to the bus compound at the end of the day. We are not able to have a bus return to a stop for items left on the bus. Contact the transportation compound should assistance be needed.

Transportation Call Center

To assist parents with questions and concerns during the first week of school, the transportation call center will be open from 6-10AM and from 2-6PM.

Call 813-794-2500, 727-774-2500, or 352-524-2500.
