Opportunity Hall Parent Letter

Dear parent or guardian,

One of our goals this year is to find new and meaningful ways to reach our most in-need students. For some this has included additional support during Study Hall or more one-on-one assistance. For others it has meant helping them gain access to MyStudent so they can monitor their own progress. Your child has been recommended for a support we call Opportunity Hall, which is an afterschool tutoring program that meets on Thursdays from 3:00 to 4:30.

New to Opportunity Hall this year will be support in organization and study skills. This year we are scheduled to begin offering this support on most Thursdays through the rest of the school year. During Opportunity Hall we will have teacher volunteers and some student peer tutors to provide as much individualized assistance as possible. The program does require students to be picked up by 4:30 PM.

If you and your child are interested in this support, please fill out the included student agreement and permission form and return it to TEWMS as soon as possible. We look forward to helping your student flourish in their areas of need. If you have any questions, please contact Heather Eads at heads@pasco.k12.fl.us Thank you so much for your time.

Yours truly,

Miss Eads

I agree to attend Opportunity Hall on Thursdays from 3:00 to 4:30 (see dates listed below). I will work and cooperate with the teachers and peer tutors as they seek to address my areas of need and help me reach my potential. I understand that I will only be in the Opportunity Hall as long as I need assistance, and the hope is that I will eventually “graduate” from this program. I also understand that I can be dismissed from the program due to unsatisfactory behavior.
