Congratulations!

You've made a wise choice by picking up this application. If your grade point average for semester one is 3.2 or higher (based on six classes), you qualify to apply for induction into the TEWMS National Junior Honor Society. Membership in NJHS is one of the highest honors that a middle school student can earn. No student is inducted simply on the criteria of grades alone. NJHS strives to recognize the total student, one who excels in the areas of: scholarship, character, service, leadership, and citizenship.

In order to be considered for induction, the following procedure must be followed:

Show the recommendation form to ALL of your teachers and ask them to complete their line. Make sure you print your name at the top and each teacher's name in the appropriate class box. If you have online classes, those teachers have to send an email to Ms. Abercrombie (fabercro@pasco.k12.fl.us) with their recommendation scores.

Complete the application, which has four parts.

Return your COMPLETE APPLICATION to the NJHS basket on the counter in the back office by WEDNESDAY, March 22, 2023. You may email your application to Ms. Abercrombie (fabercro@pasco.k12.fl.us) as well. She will answer the email to let you know it was received. Late applications will NOT be considered.

Please discuss this opportunity with your parents. If you choose to complete the application process, remember the deadline. You will be notified by April 12, 2023, if you are selected for membership. Those selected will be inducted in a special ceremony on Tuesday, April 25, 2023, at 6:30pm.
